I take great pains in keeping all my stock true, as a visit here will show you, and I extend a welcome to all who are interested to visit me during the blooming season. Auto bus from Mantorville meets all trains at Kasson and passes by my nursery.

We accept all orders on condition that they shall be void should injury befall our stock from frost, fire or other causes over which we have no control.

All stock will be well graded and fully up to grade specified.

Packing at cost of material used.

5 at 10 rates, 50 at 100 rates.

To responsible parties, December 1st, 1925, payment.
